

SCRUBBER-DRIER TURNADO 68

Product feature

- Plastic tank
- Control tower ergonomically designed, adjustable height and angle
- 400° turn able scrubbing and suction head
- Tool-less brush exchange

Technical data

TURNADO® 68

Dimensions / volume / weight

Working width brushes/pads	680 mm
Working width vacuum bar	751 mm
Turn able scrubbing and suction head TURNADO®	400°
Width of passage	751 mm
Total width	567 mm
Total length	1266 mm
Total height	1157 mm
Tankvolume (dirt- and fresh water tank)	60 / 65l
Max. surface pressure	0,96 N/mm ²
Max. working weight (mit 120 Ah gel batteries)	291 kg
Dead weight (with 105 Ah gel batteries)	226 kg

Working performance

Theoretical cleaning rate (at 4,5 km/h)	3740 m ² /h
Max. speed	5,5 km/h
Max. water supply	approx. 3,5 l/min
Noise level	69 db
Noise level SILENT function	66 db
Noise level Silent Pro	60 db
Pressure brush	1,6 N/cm ²
Pressure pad	0,4 N/cm ²

Motor performance

Brush motor	3 x 150 W
Vacuum motor	500 W
Drive motor	200 W

Battery

Voltage	24 V
Capacity (maintenance free gel batteries)	up to 120 Ah
Working hour per Battery (depending on floor and dirt)	approx. 3 h

(HEFTER reserves the right to make technical changes)

Version 01.2013

The **TURNADO® 68** represents the next generation of our established and well known TURNADO® technology. It cleans into all edges and niches – without the need of extra hand cleaning – thanks to its 400° turn able brush- and vacuum head.

Because of its new, open tank layout for an optimum in hygiene and its unique features the **TURNADO® 68** represents the next stop into future.

Convincing advantages:

- Reduction of hand cleaning of difficult areas thanks to the scrubbing and suction head rotational 400°
- Corners and niches, such as shelves, in halls and passage ways can be easily cleaned
- Very manoeuvrable
- Open tank design for an optimum in hygiene
- Long operational time between fill ups thanks to large tank volumes
- Tank out of hard-wearing plastic
- Separate detergent dosing unit
- BlueSave® System* enables environmentally friendly cleaning with best use of available resources
- Fully automatical lifting and lowering of the scrubber head
- Unique machine features in machine options
